NEW NAMES AND MEETING SPACES IN THE BSC

POMONA, Calif. – August 23, 2012 – On Thursday, August 9, 2012 the Associated Students Incorporated (ASI) Senate approved two names for existing rooms in the Bronco Student Center (BSC). Former lessees Kaplan Test Prep and the Visitor and Information Center are now available for reservation through Conference and Events Services.

alpreston@csupomona.edu

To keep in line with the Latin constellation theme that was approved by the University President during the 2002-03 academic year, a selection of 88 constellations were presented to the ASI team for review and subsequently recommended to the Senate for consideration.

Following are the two new names and meeting spaces within the BSC:

Former Lessee	Approved Name	Room Number
Visitor and Information Center	Atria	1216
Kaplan Test Center	Perseus	1341

The inclusion of Atria and Perseus into the BSC reservation system will provide additional meeting spaces for on and off-campus groups until new lessees can be found or the proposed BSC Space Study determines an alternative use for these spaces.

For more information about reserving these or other rooms in the BSC, please visit www.asi.csupomona.edu/ce.
