Pomona, Calif. – January 20, 2009 – The ASI Outreach Tour will take place on Thursday, Jan. 29, in the University Quad from 12 p.m. to 1 p.m. The ASI Outreach Tour will feature an opportunity for Cal Poly Pomona students to learn how their ASI fees are being spent. Students will also have a chance to meet their ASI Student Leaders. ASI Student Leaders will answer questions about their latest projects, initiatives and their role in representing the student voice to the Cal Poly Pomona University and surrounding community.

The event is one element of a larger initiative on behalf of ASI Student Leaders to become transparent in their operations and to remain accountable to their constituents. The Student Government webpage, found on the ASI website will feature a blog run by the Student Leaders chronicling their progress on projects, their daily contributions to the University and much more. Students will also have the opportunity to give feedback by commenting on the blog and receive responses from Student Leaders to their questions and concerns.

ASI encourages all students to help shape the University by attending the Outreach Tour. For more information, please contact ASI President Jeff Weintraub at (909) 869-3627 or jtweintraub@asi.csupomona.edu.
