CLUB ONE BUILDING BLOCKS SCHOLARSHIP AWARDS Cal Poly Pomona Students Receive \$2000 in Scholarships

Pomona, CA- Associated Students Inc, Cal Poly Pomona (ASI) and Club One Inc. have announced the recipients of this year's Club One Building Blocks Scholarship. The \$500 scholarships have been awarded to four members of the Bronco Fitness Center team:

- Ryan McMurray – customer service manager and fourth year marketing student
- Kelley Littmann – customer service specialist and third year landscape architecture student
- Robin Pottukalam – fitness manager and fourth year kinesiology and health promotions student
- Vladimir Restivo – certified fitness specialist and third year accounting student

The recipients of the scholarships are chosen by a five-person panel made up of ASI staff, Club One Inc. employees, and a representative from ASI Student Government. The members anonymously choose a recipient based on three criteria: grade performance (minimum of 2.5 grade point average), work performance and an essay describing what they like about working at the Bronco Fitness Center and how it will enhance their education and career goals.

This is the fourth year that the scholarships have been given to outstanding members of the Bronco Fitness Center team. Sean Del Rossi, program manager of the Bronco Fitness Center, is pleased that the scholarships continue to help student employees follow Cal Poly Pomona's "learn by doing" philosophy. Del Rossi said, "This is a great way to give back to the students in the Fitness Center, as well as show financially that Club One is committed to the educational mission of ASI, as well as the University."

Club One is a professional fitness center management company who partnered with ASI in April of 2003 to manage the BFC. The club features technologically advanced machinery, free weights, fitness classes, personal training sessions, and health and fitness assessments, a variety of cardiovascular equipment and separate locker rooms for women and men.
