Bronco Fitness Center Article published in Fitness Management Magazine

Sean Del Rossi, Bronco Fitness Center Program Manager, recently authored "A Synergistic Relationship: A University Partners with a Professional Facility Management Service to Run its Student Fitness Center" which will be published in the next edition Fitness Management Magazine along with full color photographs of the Bronco Fitness Center. The article highlights the successful fitness center program model developed between ASI and Club One Professional Services. Del Rossi is a former Naval Fitness Director and is certified with the National Strength and Conditioning Association, Cooper's Institute, and Madd Dog Athletics for Spinning.
