1	0.33%		Additional lounge chairs please
1	0.33%		After 4 years in CPP, I still don't see BSC as a center where students can go like other Cal States or universities I have visited. Somehow, it needs a lot of improvements.
1	0.33%		air freshener in women's restroom is overpowering and makes me feel ill
1	0.33%		All food establishments should have debit card capability. Most college students do not carry cash and even more don't know what bronco bucks are. I would shop more on campus if more services had debit capability.
1	0.33%		Allow all vendors to accept credit cards, there's nothing more frustrating than seeing &quot;Sorry, we don't accept credit cards&quot;.
1	0.33%		Allow credit/debit payments at Polyfresh, offer other food avenues. More specifically, food avenues that are generally not so expensive (i.e. McDonalds)
1	0.33%		allow debit cards to be used at all facilities, I would be more inclined to buy more things if I did not have to use cash.
1	0.33%		Allow the BSC food vendors to stay open for longer periods of time, or have a 24 hour food vendor.
1	0.33%		allow to use other methods of payment (debit card/credit cards) often i have to take out cash from the atm for a drink or scantron
1	0.33%		allowing students to use their credit cards at the Poly Fresh store
1	0.33%		Alternate tv channels on the television monitors located around the BSC perhaps the national geographic channel, food network, etc.
1	0.33%		An area with more couches to just lounge around and a place to take a nap
1	0.33%		An outdoor or downstairs extension of some kind might be helpful because of the number of people that pass by and hangout there.
			

1	0.33%	<input type="text"/>	As a Muslim student, i would love it if there was a halal food option--many msa members tend to leave campus and eat in order to get halal food. It would really make muslims feel more welcome and included.
1	0.33%	<input type="text"/>	at subway do the same promotions as all subways..such as \$5 footlongs. students would love that since they are already on a budget.
1	0.33%	<input type="text"/>	ATM Machines!!! I hate how the market place thing only takes cash, screws me up so much, and i usually never buy anything on campus but when i do i usually just have my card.
1	0.33%	<input type="text"/>	bathroom cleanliness and newness is great. also like that the soap is not the pink kind. the yellow one smells nicer and doesnt seem to dry out my hands as much. couches are comfortable. subway express should offer \$5 footlongs too. boa atm is great. bsc should have a student-run bike shop like my previous university. stamp machine would be convenient in addition to the mailing service available. 21+ lounge would be cool. there was a graduate student lounge that sold alcohol at my previous university and local/student jazz band would perform there sometimes. the sushi vendor is quick! never a long wait. subway line is frequently long, but moves quickly.
1	0.33%	<input type="text"/>	be able to cash out at Poly Fresh

1	0.33%	<input type="text"/>	Every time I walk in there it smells very bad that sometimes I want to leave. I don't know how but this problem should be resolved as quick as possible. 1	0.33%	<input type="text"/>	halal chicken and beef!!!!
1	0.33%	<input type="text"/>	Halal food is a great option becuase not only will it cater to the islamic community on campus but it will also be catering to the animal rights activists and we all know that these animals were not tortured, therefore adding a significant number of people whom are already purchasing food items. and this will definatly maintain the students who regularly go off campus to stay within the bsc
1	0.33%	<input type="text"/>	Halal Food is a must I WILL WAIT IN LINE FOR IT!!!! HALAL FOOD!!!! YEA!!!!!! HALAL FOOD!
1	0.33%	<input type="text"/>	Halal food!
1	0.33%	<input type="text"/>	have halal food
1	0.33%	<input type="text"/>	Have more events going on at the BSC. Also, prepare more public computers for work use. Make more space for sitting outside and inside as the place seems too crowded at times.
1	0.33%	<input type="text"/>	Have more open feel and additional lighting and seating arrangements
1	0.33%	<input type="text"/>	Have more options of using credit/debit card instead of just cash or bronco bucks. Also, place more tables upstairs near ursa major.
1	0.33%	<input type="text"/>	have some low cost options... \$5 for a sandwich I could have made at home and brought for \$2 is not reasonable, especially when I can get a 12 at subway for close to that price and get more than 2x as much food. LESS JUNK FOOD!!! Another subway to cut down lines?
1	0.33%	<input type="text"/>	Have the BSC meeting rooms available for student use when events aren't taking place.
1	0.33%	<input type="text"/>	hold activities or raffles to help bring people in
1	0.33%	<input type="text"/>	How about a bar on campus like there used to be?
1	0.33%	<input type="text"/>	how about a web site that shows what is available at BSC? I walk past it two days per week and am not tempted to stop off.
1	0.33%	<input type="text"/>	I am an international student. So, I will never understand why people here eat and drink whatever they want wherever they want (rooms, study lounges, offices). The mix of food, videogames, leisure couches, (and now pitches of beer?) in a school just results in waste of resources. People should do all those things, including sleeping anywhere but school. In most countries people attend universities to... guess what... learn and study.
1	0.33%	<input type="text"/>	I appreciate for the fact that you are concerned about our input in regards to BSC.
1	0.33%	<input type="text"/>	I don't use the BSC and resent having to pay for it each quarter.
1	0.33%	<input type="text"/>	I enjoy the musical acts that are sometimes playing in the BSC during uhour. More would be nice.
1	0.33%	<input type="text"/>	I feel that beer should not be sold on campus. Also, there are many Muslims on campus that only eat halal meat, BSC should consider having halal meat on campus, or a halal food vendor.
1	0.33%	<input type="text"/>	I feel that the BSC is doing what it can to attract student but maybe if it was a little more lively people would come on. I also feel that we need more of a varitey of food on campus
1	0.33%	<input type="text"/>	I find the restrooms on the 2nd floor not very clearly marked. A lot of the times the restrooms are hidden in corners.
1	0.33%	<input type="text"/>	I love the bathroom soap!!! And I love the pura vida!! Please consider bringing the soupfreaks...It's sooooo good! Please don't put in more fast food chains.
1	0.33%	<input type="text"/>	I once tried paying with cash at Poly Fresh and they told me that only Bronco Bucks were accepted. I don't see the point of doing that. I think it would be better if they accepted any payment method so that it can be a more convenient place to buy food and other items for all students. Also, I have noticed that the most popular food vendors at BSC are Round Table and Subway, which usually means having to wait in line. I think that not-so-popular vendors should be replaced by others that can potentially offer better food so that students don't get stuck with the same food options every day. I also think that healthier food options are necessary.

1	0.33%	<input type="text"/>	I only use the Bronco Copy Center, and only for large-format printing
1	0.33%	<input type="text"/>	I pay a bunch of money every quarter so that this building can operate, yet I never even go there. Please try other means of paying off the building rather than charging me for a building I don't use.
1	0.33%	<input type="text"/>	I remember that a couple of years ago it was easy to purchase snacks from our convenience stores on campus. I rarely carry cash with me so it's annoying that (as far as I know) the bookstore is the only place I can buy snacks with credit/debit card.
1	0.33%	<input type="text"/>	I think every store should accept Debit Card or Credit Card. Not too many people buy with cash anymore. I wanted something to eat the other day and the store i went into didn't accept debit. Sucked real bad because i went to class hungry.
1	0.33%	<input type="text"/>	I think it is ridiculous that we cannot use our credit cards at some campus eateries. It is safer for students to carry credit cards than cash. PonyExpress loses business because students don't want to carry cash.
1	0.33%	<input type="text"/>	I think its dumb that we have 3 subways at school. give us more of a variety
1	0.33%	<input type="text"/>	I think more promotions and events would be desirable.
1	0.33%	<input type="text"/>	I think that some food services should be open later. Some days we get out of class and there is no where to eat because they close so early.
1	0.33%	<input type="text"/>	I think that the Bronco Student Center should be a little more opening.
1	0.33%	<input type="text"/>	I think that the BSC should be open later on Fridays!!! I get off work at 5 and its really sad how early everything closes!
1	0.33%	<input type="text"/>	I think that the food places should be opened longer hours-- closing at 2pm on a Friday is pretty ridiculous, some of us have class before and during that time and even if I run, i don't make it on time. I also think the BSC should be opened on the weekends at some times, because the food places and game area would most likely bring more profit and more students would likely stay on campus to eat, meet, study, and play.
1	0.33%	<input type="text"/>	I think the BSC should include a 24-hour study commons since there is no such thing on campus except for the 24-hour computing lab at the library.
1	0.33%	<input type="text"/>	I think the Kikka Restaurant should start accepting credit cards...
1	0.33%	<input type="text"/>	I think there should be more chairs and sockets to plug in laptops.
1	0.33%	<input type="text"/>	i think there should more food choices available
1	0.33%	<input type="text"/>	I think you've done a good job of organizing the BSC, but too bad the lunch line is too long. That probably can't be helped, though.
1	0.33%	<input type="text"/>	I want Wells Fargo ATM machines at BSC...
1	0.33%	<input type="text"/>	I was wondering if the bsc could stay open longer than 10pm
1	0.33%	<input type="text"/>	I wish debit cards were accepted all over campus.
1	0.33%	<input type="text"/>	I wish that the market in the BSC would accept debit cards.
1	0.33%	<input type="text"/>	I wish the Poly Post would accept credit/debit cards not just BroncoBucks and cash. It's more convenient.
1	0.33%	<input type="text"/>	I wish there are more variety of places where i can get my food.
1	0.33%	<input type="text"/>	I wish there was a place to eat on campus that was open until 10 PM or something as a snack. I know there is starbucks with its snacks but sometimes you want to eat a lot or something cheaper or more healthier. another bronco express there would not be a bad idea if there was space available.
1	0.33%	<input type="text"/>	I would like to see a social bar or night lounge on campus. It could be open in the evenings so it would not interfere with classes. A place where students could get drinks and hang out in a relaxed atmosphere
1	0.33%	<input type="text"/>	I would like to see more newspaper stands and trash cans around the BSC because when I try to get a newspaper at 10am most of the LA Times have ran out. Also it would be nice to have a few more couches instead of just that one red one in front of Subway.
1	0.33%	<input type="text"/>	I would like to see more of the vendors accept debit cards. I never really have cash on me and don't live on campus so I don't have Bronco Bucks. Also, I love to salads at Poly Fresh, but they are in such a small container that you cannot mix in the dressing without the salad falling out- the whole process is really hard. Either somehow get a larger container or provide big bowls etc we can put them in. I would also like to see Round Table have big talegates before home games etc... it would be cool if they could even show the games on the tvs so people can watch and drink beer etc. The vendors need to stay open longer.
1	0.33%	<input type="text"/>	I would like to see more variety of foods at the food stands. Korean and German foods would be excellent!

1	0.33%	<input type="text"/>	I would like to see the pony express accept credit/debit payments again.
1	0.33%	<input type="text"/>	I would really like to see Halal food products and meat in the BSC to cater the need of the many Muslims on campus. It would be highly appreciated!
1	0.33%	<input type="text"/>	I would really like to see the hours change for the restaurants. I find myself and other students studying till very late when everything is closed and we are very hungry.
1	0.33%	<input type="text"/>	I would really, really, really, love to see mexican and italian type food as long as the rest of the student population agrees. I am tired of eating the same type of food day in and day out. I'd like something other than burgers and sandwiches. I do not like the asian foods so I am somewhat limited. But for BSC as a whole, I really like it.
1	0.33%	<input type="text"/>	if poly fresh would take a debit card, not just cash and bronco bucks
1	0.33%	<input type="text"/>	If there were some way to manage the long lines better, it would definitely help, because I see lots of students and my friend will go down there and see if there's a long line and if there is, they'll opt to leave.
1	0.33%	<input type="text"/>	if you can add more tables and cashiers during RUSH hours.
1	0.33%	<input type="text"/>	In the game room, I take it that whoever is working in it at the time chooses the music. I eat in there every week day, and get tired of the same artist and his album being played over and over. Also, I personally don't care for that music having strong language in some of the songs. If the music could at least vary in artist and genre, I think it would make the game room a better environment and keep it from becoming monotonous.
1	0.33%	<input type="text"/>	Increased weekend hours for the Games Room.
1	0.33%	<input type="text"/>	is it possible if the food vendors can stay open longer? 7p.m. is a good time
1	0.33%	<input type="text"/>	Is there a nap room? I think that would be very helpful to some students.
1	0.33%	<input type="text"/>	It has been inconvenient to get cash each time i go to Poly Fresh. I don't live on campus and don't usually carry enough cash but I wouldn't mind using bronco bucks if i could purchase them somewhere readily nearby.
1	0.33%	<input type="text"/>	It is very difficult to find vegan, or even vegetarian food on campus.
1	0.33%	<input type="text"/>	It needs closer parking.
1	0.33%	<input type="text"/>	It should stay open later.
1	0.33%	<input type="text"/>	it smells like a foot upstairs
1	0.33%	<input type="text"/>	It would be easier on the pockets of students if subway, carls jr, etc... would take or participate in promotional discounts off campus vendors participate in. Although unlikely because of possible losses of doing so, cheaper &quot;healthier good food&quot; is always better. BSC pony store and market place pony stores can look into wrapping sandwiches in non stirofoam products, something easier to recycle if possible.
1	0.33%	<input type="text"/>	It would be great if the values that are at the regular vendors were offered at the BSC.
1	0.33%	<input type="text"/>	It would be more helpful if all vendors accpeted credit/debit cards. I often end up not eating certain places because I do not have cash. This is true of the marketplace as well.
1	0.33%	<input type="text"/>	It would be nice if Kikka started accepting Debit/ Credit cards. I don't paying \$2-4 in fees just to withdraw \$20 from an ATM when all in need is \$10.
1	0.33%	<input type="text"/>	It would be nice if the game room was open some nights or afternoons so that residence could enjoy it.
1	0.33%	<input type="text"/>	it would be nice if we were allowed to cash-out a meal from our meal plan at the Poly Fresh.
1	0.33%	<input type="text"/>	it would be nice to have more chairs and tables
1	0.33%	<input type="text"/>	it would be nice to have more couches and/or padded chairs. When spending a lot of time studying there, it is hard on the bum to sit in those awful chairs. I'm sure there's probably nothing you can do about the echo-i-ness, but I guess that's what the library is for. :) If only you could eat in there...
1	0.33%	<input type="text"/>	It would be very helpful if the pony express accepted credit.
1	0.33%	<input type="text"/>	It's dark and musty inside and reminds me of an arcade where 13 year olds have birthday parties. The Cal Poly campus has great open spaces, but the BSC is not oriented outwards whatsoever. It's a dark box.
1	0.33%	<input type="text"/>	It's horrible how the Poly Fresh only takes cash and Bronco Bucks. Subway has the right idea by taking cards now. The Kaplan Testing Center seems out of place, it's not a bad idea but it doesn't seem to belong in the BSC. A small computer lab or study room would seem more appropriate or maybe make the room a new food vendor or a lounge. People often seem lost trying to find restrooms. University hour often is filled with loud music from the ASI &quot;Concerts&quot; it'd be great to maybe have less concerts if they were with more well known artists. Another thing is that most of the artist (at least the ones that play inside) all

			sound the same and often that's not a good thing.
1	0.33%	<input type="checkbox"/>	It's nice the way it is. As I said though, I do not frequent the place much. I usually study/read in the library, and either eat at home or bring food.
1	0.33%	<input type="checkbox"/>	It's nice to have a survey like this once in a while.
1	0.33%	<input type="checkbox"/>	It's unfair that students have to pay \$75.00 every quarter just to keep this building open with all of its activities. There should be more retail in this building, and the building should keep itself alive with the revenue it generates, rather than have poor college students keep it open with mandatory fees.
1	0.33%	<input type="checkbox"/>	just more different types of food.... 8)
1	0.33%	<input type="checkbox"/>	Keep the game room open longer on week days and keep one or two vendors open on the weekends from 11am- 2pm for the on campus residents.
1	0.33%	<input type="checkbox"/>	Kevin Pegg Smells~!
1	0.33%	<input type="checkbox"/>	Leave the Gym open longer hours.
1	0.33%	<input type="checkbox"/>	Lebanese Food is a must for increasing Profits, it is guaranteed. It is very crucial that you do this. and if you would conduct a survey on Lebanese food you will find that it is very popular.
1	0.33%	<input type="checkbox"/>	Less Subways; get rid of Kikka, smoothy shop, and bring in better food.

1	0.33%	<input type="text"/>	Please establish a debit card payment method at all food and service areas. Currently only subway takes card payment method and as you can see has the most customer. This proves that majority of the students would prefer card payment method over cash. With card payment method established at all food and service areas, it will increase the number of customers at other food and service areas in the BSC. The seemingly high cash-withdrawal-charge by the atms in the BSC is not helping either, on the other hand might turn people who have the intention to spend their money down and push people away to other places who will accept card payment method. Therefore, I strongly recommend card payment method established at all food and service areas at least debit card method payment.

1	0.33%	<input type="text"/>	Please keep the BSC open later. Maybe until midnight on weekdays, if possible. Also, closing at 6:00 pm on a Friday is ridiculous, so please increase the operating hours. The BSC is open on Saturdays from 9:00 am - 4:00 pm. Please consider increasing these hours and/or opening the BSC on Sundays. Furthermore, it would be nice if the food venues stayed open until later, especially on Fridays, when all of the restaurants close at 2:00 pm. There are still classes going on. We should at least keep the food venues open until 1 hour after all classes finish, that way students can grab a bite to eat after class. I have been frustrated numerous times at having to go off-campus to get food. I think keeping the food venues open later would generate enough revenue to offset the expenses incurred with the longer operating hours. Also, in terms of signage, there are actually some students on campus that have no idea what 'BSC' stands for. We must address this issue! This is not the 'Student Union'! It is the Bronco Student Center! We need more visible signage. Thanks for all of your efforts!

Even something as simple as "Pizza before/after the game", give students who will attend the game a discount on pizza at round table for the following 24 hours, this is an easy way to get students to eat at the BSC and to athletic events. Both the BSC and Athletics could use all of the advertisement and help they could get so why not collaborate.

Overall, I understand the need for a &quot;modern&quot; center to appeal to prospective parents and students, but as a commuter student it doesn't add to my experience.
