POMONA, Calif. — October 24, 2008 — On Tuesday, Nov. 4, 2008, the Bronco Student Center will be the site of Cal Poly Pomona's first polling site for registered LA County voters. The polls will be open from 8:00a.m. – 8:00p.m. in the Andromeda Suites, rooms 2341, 2343, and 2345. Associated Students, Inc. is pleased to facilitate the voting process for Cal Poly Pomona constituents by collaborating with LA County officials to bring the polling site to the campus. The site will be coordinated by certified LA County poll workers including one Precinct Coordinator and one Inspector. The following is a list of stipulations for students, faculty and staff choosing to vote on campus:

- Only LA County registered voters can vote at Cal Poly Pomona
- Anyone that does not live on campus will be required to vote provisionally
  - Provisional voters will be allowed to vote on state and national propositions and measures but not on any ballot items pertaining to their home district
- LA County Absentee ballots will be accepted at the polling site
- LA County registered voters do not need to formally change their voting location if they have been assigned another site; however, they will have to vote provisionally if they are not voting in their home district
- All voters must bring a valid ID in order to vote

ASI encourages all registered voters to vote in this landmark election. Clark E. DeBevoise, ASI Secretary of External Affairs, championed ASI's efforts in conjunction with the help of Cal Poly Pomona's Poly-Sci Club and Students for Quality Education to increase voter turnout by registering approximately 1,000 students to vote. For further information, please contact Clark at (909) 869-3616 or cedebevoise@asi.csupomona.edu.
