On Friday, October 26th, the ASI Bronco Events and Activities Team (B.E.A.T.) invites the campus community to the first-ever Haunted Stables program. Just in time for the Halloween season, the Union Plaza will be transformed into a building hosted by spirits and goblins.

Jacquleen Alogozain, ASI Special Events Chair, whose student committee is hosting the event, reportedly remarked to a reliable source that she has met with the President of the Cal Poly Pomona Spirits and Goblins Association and they have assured her that all members who reside in the buildings and grounds of the University will be present at the Union Plaza on Friday.

The event will last from 9pm-1am and will feature haunted mazes hosted by the Catholic Newman Club, Circle K and the B.E.A.T. Special Events Committee. The event will feature music hosted by DJ X2C, free refreshments and candy, a screening of the movie *Urban Legend*, dancing, and more.

Tickets are \$2 in advance at the ASI Box Office, located in Modular Office 1 in University Park adjacent to the University Union, and \$3 at the door. For more information call ASI Programs at 909.869.2854.
